Subject: **Bishop L. L. Harrison Scholarship**

Holy greetings from Brother Aaron Miller in the name of our Lord and Savior, Jesus Christ, I pray this letter finds you all in good health, physically and spiritually. It was a very trying year for all of us in 2020. COVID-19 put us in a very difficult situation and made our everyday lives more difficult to live in. Losing our loved ones, family members getting sick, loss of employment, restrictions on travel, and most of all – closing of our schools. Let's all pray that some sort of normalcy returns to us for 2021.

The month of February is upon us. Which means, our kids will be returning back to school whether it be online or in a classroom. The Bishop L.L. Harrison Scholarship committee will continue to recognize and reward those students who have excelled academically in school, including the 3rd grade through 11th grade.

The Scholarship Committee would like to recognize both **Deaconess Te'Jeland R. Roach** out of the Tupelo, MS church, and **Deacon Christian Chism** who is a member from the Cleveland, OH church. Deaconess Roach and Deacon Chism will receive the second half of their full scholarship once they have provided proof of full-time status at their respective universities. Let's continue to support these dedicated church members in their education endeavors.

In order to be transparent and fully accountable, please accept this letter as a reminder that the scholarship program continues to remain committed to our youth. The Scholarship Committee reports that there is a **(\$8,196.00)** balance that will start the year off for 2021. I would like to add, although February is the designated month for fundraising, contributions and donations, I am asking that we should not limit our efforts, to just the month of February.

In addition, I remind you all, that it is imperative that all churches submit their candidate's package and applications to this office by the deadline set forth. This will ensure that the program functions in the manner that it was intended. The 2021 – 2022 application has been updated and is available for prospective candidates.

In closing, as a reminder, prior to sending your fundraising monies, donations, and contributions into Deacon Simon Townsend at the COTLG headquarters, please ensure that your church representative contact myself to confirm that the accurate amount has been submitted and to ensure accountability. If you have any questions for me, please do not hesitate to contact me at (559) 901-4491/akm90045@gmail.com email the scholarship committee or follow-us on Facebook with more updates. Thank you all so much for your corporation and let's continue you help the scholarship fund grow.

Warm regards,
